“ *Bev & Max,
Sorry to hear of Aunt Frieda's passing. We didn't realize she'd been in the hospital...Ellis and I have been deeply touched by her presence over the years. She and Uncle Tom were some of our favorite people to stop and visit when we'd come home on leave. We are saddened by her passing, but feel a sense of joy - knowing she is back with the love of her life. What a celebration there must be in heaven right now! If you need anything at all, please don't hesitate to call...you two are pretty special too!*
