“ Carol, Leah, Cory and Wes, I am so incredibly sorry to hear about the passing of dad. I was truly blessed to have been welcomed into the family over 15 years ago and treated as "one of his children". The memories from all the float trips, the road trips Leah and I would take just to go visit Mom and dad, the visits when Carol and Gary would come up to visit Leah and Korbyn, Korbyn's football games, etc. My heart is completely broken for all of you, please know my thoughts, prayers, and love are with all of you. He will be greatly missed. RIH Gary, I love you dad and will forever be grateful for being included into the family.

“ I remember playing cards with Gary and Carol years ago when we all lived in Crocker. We laughed and had great times. Then we both worked for DPW on Fort Leonard Wood. He was always calm, kind, smart, and willing to help anyone. Got to see him and Carol about 3 wees ago. Got to catch up and of course, laugh. You will be missed my friend. My prayers for Carol and the family.

“ Knowing Gary since my early 20s has been a blessing to me. He taught me to be kind, always laugh and love as much as possible. My favorite memory of Gary is when we would all load up to head to Crocker to hit the river as a family. He would lead all of us through the weekend, ensuring when we flipped the canoe, to get back up and keep going. Playing table tennis in the basement of the house, he would always come to challenge us and I'm pretty sure he let us win. He was an amazing man, and I will truly miss him.

“ Gary was a senior in high school when I was a very insecure 8th grader. We were in band together. I will never forget one day when he said my name in class. He made me feel so special. I've always remembered that. I hope you knew that you made that insecure girl smile.

“ My favorite memory of Gary is with a pumpkin on his head he had carved out for a Halloween party. Then went to Silver Star and won \$50.00 for best costume. He had the best sense of humor, always willing to help. You will be missed. Prayers for Carol and family.
