“ Tom was one of His Drivers from Skt He will miss him and his bickering with miss Ernestine. I was married to Red Wayne and he and Gary shared a room at sunset villiage. He was always friendly and talkative and gave the nurses a run for their money. Just know he left his mark wherever he was. I am sorry for you lose.##imported-begin##Tom and Melesa Snyder##imported-end##

“ I only knew Gary for 3 months while working with him at the Pulaski County Sheltered Workshop. He was a very dedicated employee who kept asking if he could come to work more often than what he was scheduled.###imported-begin##Martina Edwards###imported-end##

“ Gary first came to the Sheltered Workshop January 31, 1979 so he was one of the 3 long term employees still here and he will be missed. In this day and age, it is rare to find that level of commitment from anyone. Employees at the shop can be a good example to everyone. I hope Gary's memory can be an inspiration to others.###imported-begin##Linda Gifford###imported-end##
