Just found out that Tom is gone. My sincere sympathy to all of his family. Haven't seen him in many years, but I went to my senior high school prom with him. He was very special.

“ My thoughts and prayers are with the family. I worked with Tom for several years at a company and all did not end well for either of us. When Tom heard I was having a rough time he cared enough to call and check on me several times. We shared experiences and he made me laugh and cry but those calls truly made a difference. His favorite saying to me was "we gotta write a book". I will miss him.
