“ *Georgie I miss my boyfriend so terribly bad. Losing you has left a void in our hearts and lives but such wonderful memories in our minds. You will be missed by all of us but we knew it was God's will that you go home to be back with Ms. Bobbie. I know how much you missed her. Well, my friend, you are together again, both of you at peace. I know that you will never be gone for there are stories still to be shared!!!*

“ We have lost another GOOD one. My favorite memory of George is that when he was a big high school boy; he was always so kind to those of us who were the "little kids". Cousin JoAnn Edington

“ *Georges Family*  
I want to thank you for sharing him with me as I was growing up. He would never hesitate to take a kid fishing or hunting. George willingly shared his time and lessons of life. He reinforced the lessons that my father taught me, lessons in honor, integrity and the value of hard work. He taught me to value what I have. After my own father passed he was a voice of reason in my life. He always had a smile and a kind word for my wife and children. Thank you George for teaching me many of the attributes that I have today. Until we meet again my friend, upon the green meadows of the fiddlers field, Thank you for allowing me to be part of your life.
