“ I have lived in Minneapolis now for 32 years but I still keep up on what is going on back home in Waynesville. I was so shocked and saddened to hear of Glenda's passing. Glenda and I were the only babies born in the same hospital on the same day January 27th 1959. Our parents used to joke that they got us mixed up at the hospital, but she looked just like her Dad and I looked just like mine so it was indeed a joke. She is only 1 of 2 Glendas I have ever known in my entire life....the other Glenda is my next door neighbor for the last 13 years. Glenda and her parents lived in our trailer park at the time of her Mothers passing. Glenda and I were friends and school mates, and although we lost touch over the years I still thought of her often. I remember how she loved sweets but always managed to stay so thin! She was a kind and fun person. I'm sure she will be missed. My condolences go out to her family ....I am so sorry for your loss.

I forgot to mention that Glenda and I share a middle name. Glenda's parents spelled her name Mae and mine spelled mine May.
