“ Harold was a mentor to me when I worked for him in Supply Division in the seventies. He was also a friend you could count on. I remember shoveling too much gravel into the bed of my pickup under the Waynesville bridge and then immediately getting stuck. Somehow I got word to him and he showed up with his 4WD Jeep Wagoneer and pulled me out of trouble. And he didn't make fun of me afterward, tho he should have 🙄.. RIP friend.

Mike and Lisa, sincere condolences to you and the rest of the family from Butch and Jean Jones.

“ We will always hold our memories of Harold joining us in Germany and Austria for an epic vacation close. Between cold beers on mountain tops in Austria to our weekly breakfast here at home, we enjoyed lots of laughs.... Our love and prayers go out to Lisa, Mike and the entire family.
