“ *Mr. Harold was a honorable, awesome, man. During my tenature at FLW we met thru the DFAC. He was always ready to listen, encourage and support. He was never too busy to hold a conversation. The memories of running into him at the school's (him picking up his grandson, I picking up my son), seeing him in the DFAC's or at the park . We smiled upon those memories and shared those thoughts with a warm smile. I will miss calling him just to say hi or sending a bday wish. I pray for the family during this difficult time now and always. Keep the memories alive.*

Much love,

“ *I am truly going to miss talking to my namesake, SSG (Retired) Mallory. He would always take time out at work and anywhere else we met to share in a polite, pleasant and very rewarding Harold to Harold conversation with a smile or gentle laugh. I did not get the chance to meet his family, but I am certain that exemplified caring for each one of them as best he could. I am thankful that he took the time to talk and make a difference in my life, lasting memories to cherish. I prayed for God to guard his heart; my prayer now is for Harold to Rest In Peace in the Everlasting Arms of our Savior. - CSM (Ret) Harold L. Burluson*

“ I want to salute my uncle, Harold Clyde for his many years of military service. Coming from the south we called folks by their first and middle name. I remember seeing my uncle in his uniform when I was a little boy. He’s in heaven surrounded by his mom and dad and three of his brothers and three sisters.
