“ Our thoughts and prayers are with all of you in the difficult days ahead. May it help you to know that many, many people remember your parents so fondly. We met her through Pulaski County Area Retired School Personnel (Pulaski County Retired Teachers back then.) She was quite the lady, and had a beautiful smile. Love and prayers are with all of you.

“ *She started out as my teacher but became my friend that helped me decide to be a teacher. I have thought of her many times and tried to emulate her in my classroom. I will miss her, she was a great lady.*

“ *We loved Hester and Byron. They are together again driving a Cadillac in heaven. Our thoughts to your family from the city of Waynesville.*

LugeHardman - April 30, 2019 at 02:45 PM

I remember Byron and Hester. They were great customers at Security Bank. Byron loved to get me riled up and would then laugh. They were great people and Luge you are right, they are together in heaven driving their Cadillac. Our prayers for the family left behind.
