“ *Uncle Johnny, we already miss your long phone visits, your thoughtful smile, your understated Culbertson humor. You weren't as much a prankster as your siblings, but the sparkle in your eyes and grin gave you away. We enjoyed the kitchen confabs over recipes and family lore. We will miss your presence at family reunions. We didn't forget you as you battled cancer; our hearts were with you, even if our bodies weren't able. We will love you forever for exactly who you were!*
