“ *Jean was a special person to many of us, for sure special to me. I will miss her smiling face I saw almost every Sunday, she was at church every Sunday unless she was ill or gone away for the weekend. She is with the Lord now and that makes it easier to see her go. To Roy and the family God bless you in this time if sorrow.*

“ *I worked with ImaJean many years in Finance. My fondest memory was walking around the block on afternoon break and ImaJean sees a bus coming by she flags it down jumps on and gives the bus driver a kiss, gets off and we walk back to work. A new employee was walking with us and later asked her if she flagged down all the busses to kiss the drivers not knowing that Roy was driving the bus! We had great times. God Bless, Janet York*
