“ I am not even sure where to begin.....For as long as I can remember, Jack dedicated hours, upon hours of his time for Youth Rec Basketball. I remember him doing it 30 years ago, and I remember him doing it 3 years ago, with my son and his classmates. He was an absolute amazing man who went above and beyond for our kids and he will be missed.

From our family to yours, Jack, we send our deepest condolences to each and everyone of your family members.

“ Jack and I clicked on day one when I started with the City of Waynesville. We bonded over our love of football, our families and our faith. The last year he allowed me to get to know his family and I got to know the daughter, grandkids and sister I had heard so much about. Having him come by with a hug and advice after a rough day kept me going many times. He will be missed in our halls for years to come. Rest in Peace my friend
