“ *One of my greatest friends and neighbors I've ever had. Jack you were the best! We had some of the very best times when you'd call me up and say hey Paul how about taking this old man out on the town tonight? I wanna get outta the house awhile! You were like a second pop to me Jack. All the meals we've cooked and called one another hey you ate yet? Well hold on, either come over and get ya something or I'll bring ya something :) Our beagles even thumped the brush together. Don't worry Jack I'll always keep a bottle of Crown around now even though you said it's too high lol. I'll drink that Canadian for you you Dad! Every bow season and gun seasons gonna be rough though cause you're not gonna be calling checking on me anymore. I'll always love ya Pal*

“ My condolences. "Mad Jack" was my First Sergeant when I was a new platoon leader. He taught me more than I can tell. He took care of Soldiers and Company B, 5th Engineer Battalion ALWAYS was first. I am sure things are straighter (and louder) in Heaven today. Rest in Peace, TOP! The Army needs more like you, more so today. God bless and keep you.

“ *Jack was like a grandpa to me! He always lived life to the fullest and always had a smile on his face. I went camping with him and my grandma all the time and he used to watch me when my mom and grandma went to work. I always had a blast hanging out and spending time with him. My favorite memory of him was him getting on the roof and dancing with no worries in the world! I will miss you Jack and remember all the great times our family had together. You brought happiness to all of our lives and we will never forget you.*

“ *A Soldier Reports to God*

*The Soldier stood and faced his God  
Which must always come to pass  
He hoped his shoes were shining  
Just as brightly as his brass.*

*Step forward now, you soldier,  
How shall I deal with you?  
Have you always turned the other cheek?  
To My Church have you been true?*

*The soldier squared his shoulders  
and said, No Lord, I guess I ain't  
Because those of us who carry guns  
Can't always be a saint.*

*I've had to work most Sundays,  
And at times my talk was tough.  
And sometimes I've been violent,  
Because the world is awfully rough.*

*But I never took a penny  
That wasn't mine to keep...  
Though I worked a lot of overtime  
When the bills just got too steep.*

*And I never passed a cry for help,  
Though at times I shook with fear, And sometimes, God forgive me,  
I've wept unmanly tears.*

*I know I don't deserve a place  
Among the people here.  
They never wanted me around  
Except to calm their fears.*

*If you've a place for me here, Lord,  
It needn't be so grand,  
I've never had that much in life,  
So if you don't I'll understand.*

“ I have many great memories of Jack. He was a good man and a good friend. He was always quick to tell you exactly what he thought and just as quick to admit when he was wrong. My sympathies to the family.

I served as a company clerk when Jack Romain was 1SG over B Co. 5th Eng. That man had eyes in the back of his head - - very little escaped his notice. He expected us to do our jobs, but he was also ready to praise us for a job well done.

A tremendous loss to our Army and Nation - A true American who loved his Soldiers, family and Country. I could not have asked for or nor received a finer 1SG or friend! A dedicated 1SG who loved having operation meetings at 0445 - every morning. I learned more from Jack in two years then I've leaved in the past 28. God bless you and your family Jack - you will be greatly missed.

*I was Mad Jack's driver for a year or so when he was my 1SG and I was a SPC and I still tell the stories to this day. 1SG Romain had more character than you could stuff into an average person.*
