“ Jay my brother my friend you were a one of a kind. Your friendship will be treasured for the rest of my days. We had so much fun in the days of the river get togethers. You will be forever loved and missed. I know you and my Trena are celebrating while looking down on all of us. Until we meet again my dear friend

“ My buddy my friend. We had so many great times. I will miss all the crazy messages you would leave and all of our great football talks. Like the day you changed my house from Redskins to the Chief's. I have so many memories. Most of all your laugh and smile. Love you my friend.
