“ The last memory was when Jesse, Deb, John and myself stopped at her house on the way back from Iowa. We weren't planning on spending the night, but Aunt Jackie, not my aunt, but she feels like one, insisted that we stay the night. We had a wonderful time with her and Reed. I have so many old memories of her and her entire family. We grew up loving and having family reunions. We just had the best time and will remember them forever. RIP Aunt Jackie. Love you forever.
