“ James became a part of our family when I was 8 years old. He was an only child, I had a brother Billy that was almost the same age as James. James became one of our family. He loved my mother's cooking, he spent alot of night at our house, him and Billy would listen to WLS DICK BEONDE on the radio at night. We loved listening to the music. We also live up the road on Possum Lodge Rd, at the bottom of the road lived an elderly man known as Dink. We spent the summer days at Dinks place on the Big Piney River. We fished, swam and Dink would let us take his row boat out on the river. Our childhood memories were so important to us. Billy and James joined the Navy in the 60's, my father was in the Army and by fate all 3 of them ended up in Vietnam at the same time. One of the Navy Captains arranged it so my father Ryan, James and Billy were to meet on James ship and have lunch and visiting time together. They severed that time together. Our family loved James as a brother and he really was a brother to all of us. Carol, JP and Jason also became our family. My heart breaks for all of you and my prayers are with you every day. Carol I will stay close to you. I love you James, you were a wonderful man, husband, father and brother. Just one more thing about our family is both James real mother and our mom both had the same name Clarice. What are the chances, they were waiting for you and so was Mona, they saved a spot just for you. I love you and miss you. Love Jacquie Callin Botosanu. God Speed.
