“ you gave no one a last farewell
Nor even said goodbye
You were gone before we knew it,
and only God knows why
A million times we will miss you
A million times we will cry
If love alone could have saved you
You never would have died
In life we love you dearly
In death we love you still
In our hearts you hold a place
No one else can fill
It broke our hearts to lose you
but you didn't go alone
for part of us went with you
The day God took you home
We will meet again some day
I know in a better place
I thank God he made you our brother
while you were here on earth
