“ *Jim was a dear friend to us and was the instigator of our 33 years thus far, together. He put us on the same bowling team and goaded Max into asking me out. He was the friend you could count on and easily picked up the after years of not seeing each other. Marilyn - he loved you and his family more than anything in the world. We'll treasure our friendship of so many years. Barb and Max Holcomb*

“ In so many ways, Jim Phillips has been a true Servant with a tremendously huge and very obvious selfless heart. Although we will miss him dearly, many of us know that his Spirit lives on in the lives of others he has repeatedly touched, trained and coached, leaving an indelible mark of role modeling Caring. Thanks Jim and Thank You Marilyn for selflessly sharing and supporting Jim in his excellence in faithful service to our Country, Community, and Believing in our God!

“ *Jim was a mountain of a man and he is greatly missed. He loved his family and he loved God. They were likely the priorities in his life. But he also had a deep love for his fellow man, as evidenced by his participation with many civic groups. I'll never forget when I was having a tough time with something Jim made time to mentor me through the issue or his willingness to chaperone the youth group from the church on their annual mission trips. Our condolences to Marilyn and the family. Our prayers are with you all, especially during this period of great mourning.*
