“ I only knew Jeremy since 2019 while working at Walmart. Jeremy was always helpful and just an asset to the store. I was a frozen/dairy associate and right around Thanksgiving we got a huge truck and the freezer was already pretty full but Jeremy managed to rearrange and get every pallet in with an inch of room to spare

“ *The emptiness feeling that your passing has left is almost too much to handle at times, but I know if you were here you'd say something along the lines of "Suck it up ya big baby" in that ND/Canadian accent. I'm going to miss not flipping you the bird and you flipping back! I hope wherever you are there's plenty of grapes and no fake mashed potatoes!!*

There are really no words when someone like you departs from this earth... Just broken hearts and awesome memories.

Rest easy big fella, we'll take it from here!!

“ This is a Memory I have of my Nephew Jeremy when he was a baby and starting to grow up. There is a photo of Grandpa Alvin Antonson and Grandma Vydell (who is still living in Devils Lake ND) Our thoughts and prayers go out to all the family and also to his dad Joel who is living in Emerado ND. Also, to all his other aunts and uncles. We will always love you no matter what. Love Aunt June

Jeremy our Hearts are broken. We are so sorry you felt you didn't matter on the Antonson side because no matter what, your Dad Joel & I loved you & your family more than you'll ever know. You may not be with us in body but you have a big part of our hearts. May God guide your wife Jacelyn & Caleb & Landon through this tough time. You were an amazing Son & unfortunately something tore us away from each others life. We are so sorry & love you so much. Until we meet again ❤️
