“ *As a little girl he always gave me a white sock full of pennies every time we'd come and visit him. I think about how I'll never get another sock full. It won't be passed down to my little girl, so she'll never get to experience it. But as a tribute every time we go to Walmart we leave a heads up penny in the parking lot for someone to find. It's Grandpa Walters pennies giving good luck to someone else. It's been nearly seven years and I still think about his coffee obsession and yes, it was straight black coffee. We all miss you Grandpa Walters.*
