Charlas, I just happened to see Shawn Osborne's beautiful tribute on FB today. I had no idea Jim had passed. He was the love of your life and you were his. Together you made wonderful memories for your children & grandchildren. I pray you find peace and comfort surrounded by God's love and the love of your family.

“ I am heartbroken and so sad that i won't be able to be there tomorrow. I have so many fond memories as a child, spending summers in Missouri. Uncle Jim and Aunt Charlas would visit when they came to Florida many years ago and we were able to spend a weekend together in the keys. It was a very special time for me. I'm, so grateful we had our cousins reunion a couple of years ago and I was able to to spend time with Uncle Jim and the family. I wanted to share some memories I have...only a few of many happy times...sending my condolences, love and prayers...Michele
