“ *Jim and Phillis were two of the first people I met when I was assigned to Ft Leonard Wood in 1979. After my retirement we were business neighbors and we visited quite often. Jim always happy, cheerful and humorous. I think he put an antenna on every house I owned in Missouri. I will certainly miss Jim. Such a wonder and kind soul.*

“ As a child I meet Jim because he was with my aunt and he showed me how to be a better person and how to work and work hard and not to get trapped in the life I was leading up to that point. I learned so much from being around Jim, phyllis and joe it straightened my path out to get out of my mind set of destruction. I want to say thank you for being a model for me. You will be greatly missed. Proud to say you was a great uncle.
