“ Both Jo Ellen and yourself John have been a good spiritual example unto us all. All though you have endured these hardships your faith in God has carried you through and will continue to do so. All though this has been a long hard process He has granted you more time to cherish one another. Your faith in God has helped bring peace to others. At the end of the tunnel you will be together again in our fathers kingdom and there will be no pain and no suffering only joy.##imported-begin##Chris and Tim Zornes##imported-end##
