“ So sorry for your loss. He was one of a kind and I so enjoyed talking with him and irritating him before I retired from the bank. I played softball against his team years ago. He was one heck of a coach!!

“ JW worked as a fire watch at the Romance Tower and we went out on many fires we were good with the rakes and using backfires to put out fires, but some of those fires that were coming up the draw would get hot, Some time we had to call Walter Cowart to bring the little bulldozer to help put out some fires. JW was nice to me when I helped him at the watch tower.

Thank you JW Cowart for being a good friend and brother in law.
