“ I only know Mr. Lamb from my occasional visits in his store, always had a warm, friendly smile to offer. He seemed like such a pleasant, hard working man. Anytime I went in with my young daughter he would remember her and say hello. My condolences to the Lamb family, he will be greatly missed.

“ We were saddened to learn that John had passed. We were able see him several times when we had our trailer on Barbee. He would often send us home with boxes of goodies left from the day's business. They were always a big hit with all the teenagers! Denny has lots of good memories of when they were kids. Our sympathy to Monica and the rest of the family.

“ John was always so friendly. He took special notice to my little girl every time we visited the donut shop. I only knew him from his business, but his smile was genuine and I never heard anything but kind words. My condolences to the family of Mr Lamb. Someday may we all meet again.

“ Please allow me to offer my condolences to the, Lamb family with these comforting words: " And the last enemy, death, is to be brought to nothing." (1 Cor. 15:26; Rev, 20:14) Under Jesus' rule, all the earth will become a paradise; the dead who are in God's memory will be raised with an opportunity to enjoy perfect life on earth forever. This is the hope for, Mr. Lamb, as well. What magnificent foregleams fill our minds as we meditate on these promises! Wondrous provisions are in store for faithful mankind under heaven's loving government. I am very sorry for your loss. May God's Word comfort you and your family. “ My dad john was an amazing man. He was very talented with his donut making skills and quite a character. He knew how to make people laugh and feel comfortable. I had the great opportunity to meet many of his military friends while I visited. He is already greatly missed. I wish there was more time for him to spend with his new grandson but also thankful he was able to meet him. Rest in peace daddy..I will always and forever love you..see you later ;-)

“ John was my cousin. He spent a lot of our childhood visiting the family. He and his brothers would come to our house and we would go to their's. He was a really good person. I have some really good memories from that time. Just the thought of him being home is sad. My sympathies to Monica and the rest of the family.

“ I guess my favorite memory of John. Was when Earl & I went to the lakes to spend the night with him and to fish the honey hole he bragged to us about! We ended up in a 6 ft John boat, appropriately named. that was about ready to sink with the three of us in it. There was probably 4 inches of water in the bottom of that boat. But none of that bothered John, he was right though. We would all be casting and reeling in the fish at the same time....I do not know how many fish we caught that day, but when we got back to his house....he said...they are all yours to clean...i have to go make donuts. Earl talked about that day for years to come. So when you get to Heaven John, you and Earl can talk over that wonderful day we all shared. I will miss you my dear friend rest well, til I see you again.
