“ *We would like to thank John's Missouri family for loving and caring for our brother. I always wondered why John chose to live his life in Missouri. Attending the service, I left knowing why after you, his family and extended family celebrated his life. Thank you all.

“ You were always someone I could chat with about anything and everything. I loved you like my own Brother. I wish you didn't have to go, but I know it was your time of calling from our Lord and Savior Jesus Christ. I am glad that you enjoyed life the way you wanted to live it, and are no longer in any pain. Love you Brother,
