When He Would Reminisce About 'm, He Explained It As "This Was Where It All Began". How All His Family Gathered All In 1 Location & ... Lived. The Kids His Age Would Be Free To Be Who They Were Meant To Be. A Sence Of Adventure, Fearlessness, Reckless, & Carefree. ... He Grew Watching Every Step They All'd Make, Calculating, Tak'n Mental Notes, Profecting, & LEARNING .. He REALLY DID LOVE HIS FAMILY.. (That Was The 4th Asset I Fell In Love With..) He Would Stand There All Smiling With a Cigarette Hang'n From His Hand. No Shirt On. All Covered In Debris From His Latest "I Got You" Job. Hoping You Might Stumble Onto a Mutually Supported Topic He Could Get In With You On. He Loved It. He Couldn't Wait For Som'n To Break So- He Could Fix It. He Loved To Work. Period.. He Could Rebuild From Broken Parts. I Loved His Mind.. He Projected New Things, (-To Him-) All The T:me. Not Much Was To Hard For Him. I've Never Seen Him Ask For Any Help. But, He Would Be The 1st 1 To Be There Fix'n , or ReBuilding It, or RePairing , Mak'n or Creat'n & His Full Determination, on Try'n To Make Life A Li'l Easier. He ReStored , Created, Crafted, Or ReModled EveryThing He - Had . Or, Made It From Scrach Outta Some Idea, Desire, or Necessity. I Loved Watching Him Work. God, He Loved His Family

“ *My nephew was a good man with a big heart. I have watched him grow through different stages of his life. He loved his family and he used to love to come and stay with his grandparents, camping and fishing. He will be missed by us all and loved always.*
