“ I remember Mr. Stacy as a very kind man. I am sorry to hear of his passing. Our families lived close together when I was a kid. I remember they had a little dog that would chase us when we would drive our bicycles past their house. Lots of games of hide and seek and tag with my brothers and Becky and Pam. I grew up and unfortunately move far away, but you all cross my mind from time to time. My most deepest and heartfelt condolences go out to you all.
