“ John was my Best Friend in 4th to 9th grade. John and his family saved me back then I was in a hard time. I will always love him like a brother! He had a great smile, super strong, and a fast runner. I never won a race. Thank you for a great summer when I was 14. Best summer ever skate boarding around the base and getting in trouble. Memories keep popping up. I am very sad to hear this. God Bless John and his family. A great lose to this world of great men. The world has a little less love. To Johns kids and Chris and Lucy. I send love and condolences.
