“ *Although I did not grow up alongside Johnny like most of the other cousins, I have always felt a strong connection with him. As a child I loved visiting New Mexico because I knew all of the cousins were close by. We (along with Tim, Lila, Lisa, and Andy) would play all day until the sun went down. It was an added bonus when we visited at the end of July because our family would throw us a double birthday party.*

Later in life I enjoyed watching him with Barbara and sincerely feel that in her he found the love of his life. I never saw John happier than when he was surrounded by his children. I could see that he had a true appreciation for each of their individual personalities and loved them with all of his heart.

I pray that God grant peace and comfort to the family John leaves behind. I have faith that he will watch over his children throughout their lives. I love him and will miss him always.##imported-begin##Cousin Victoria Delsid & Family##imported-end##

“ Your family is in my prayers. I worked with John at Walmart. I especially remember when the family came to shop and little Lucien introduced himself to me as "I'm Lucien and I'm 4!" May you feel God's hand on your shoulder during this time.##imported-begin##Mitzi Sparks##imported-end##
