

## SFC (Ret) Johnny Lozano

October 25, 1964 - February 4, 2020

SFC (Ret) Johnny Lozano, son of Juan and Elva (Morales) Lozano, was born October 25, 1964 in Corpus Christi, Texas. He passed away Tuesday, February 4, 2020 in the Cox Hospital South of Springfield, Missouri having attained the age of 55 years.

Johnny grew up in Corpus Christi and graduated from Roy Miller High School. During his high school years, he met a young girl by the name of Ana Victoria Tamayo. They became high school sweethearts and were united in marriage on December 21, 1985. Johnny and Ana were blessed with two children: Victoria and Andrea.

Johnny entered the United States Army and served his country faithfully until his retirement on August 31, 2004. He had attained the rank of Sergeant First Class and earned several awards and commendations; some of which include: Meritorious Service Medal, Army Commendation Medal (5th Award), Army Achievement Medal (3rd Award), Army Superior Unit Award (2nd Award), Army Good Conduct Medal (6th Award), National Defense Service Medal (2nd Award), Global War on Terrorism Service Medal, Noncommissioned Officer's Professional Development Ribbon with Numeral 3, Army Service Ribbon, Overseas Service Ribbon, Driver and Mechanic Badge, and the US Army Gold Recruiter Badge with 3 Sapphire Achievement Stars.

After his retirement from the military, Johnny continued serving his country as a civil service employee. He worked as a Training Specialist in the training development area of Fort Leonard Wood for many years.

In his spare time, Johnny enjoyed being outdoors and working with his hands. He loved working with his bees, collecting the honey and sharing it with his friends and family. He also enjoyed riding his motorcycle with his wife and friends, woodworking, perfecting his leather craft, and restoring classic vehicles.

Johnny was a member of the Freedom of the Road Riders motorcycle organization, Richland Masonic Lodge #385 AF & AM, the Waynesville/Ft. Wood Shrine Club and the Ft. Wood Area Beeks.

Johnny was a true family man. He loved his family very much and was always looking for ways to make their lives better. He always had their best interest in mind and put them first. That attitude was not just for his immediate family, but for his extended family as well. He always looked forward to spending time with them as much as possible, and especially spending time with his grandchildren.

Johnny will be sadly missed, but fondly remembered by all those who knew and loved him. He leaves to cherish his memory, his wife: Ana Lozano of the home; parents: Juan and Elva Lozano of Corpus Christi, TX; two children: Victoria Cruz (Anthony) of Lake Elsinore, CA and Andrea Lozano (Kaley) of St. Louis, MO; two grandchildren: Analeah and Roman Cruz; one sister: Anna Truan of Corpus Christi, TX; one brother: Joey Lozano (Veronica) of San Antonio, TX; four nephews; two nieces; mother-in-law: Aracelis Tamayo of Corpus Christi, TX; two brothers-in-law: Carlos Tamayo of New Brunswick, NJ and Jose Tamayo (Lorena) of Corpus Christi, TX; other relatives, friemily and

friends.

Johnny was preceded in death by his father-in-law: Carlos Tamayo.

Even though he is gone from our sight, Johnny's memory will live on in our hearts forever.

Service with military honors was held at 2:00 p.m. Saturday, February 8, 2020 in the Main Post Chapel of Fort Leonard Wood, Missouri with Chaplain Robert B. Hensley of the 14th Military Police Brigade officiating. Military honors were provided by the United States Army of Fort Leonard Wood, Missouri. “ Gosh - there are so many. Especially when I first welcomed into the LOZANO family as I had married an Echo 😊 he and Ana were the type of couple I aspired to be more like. Johnny always had a smile on his face (even when not to happy with something or someone) he was always ready to “catch up” - which are my most fond memories as we (he and Ana and I) would catch up at Walmart in town (the community center as we joked) occupying the aisle way as if we owned it. He loved his family and very proud as he would recant life as a grandparent. I always walked away from our convo happier than I was before it. That’s just the way he was...Rest easy brother- your family will be looked after down here as you watch over them and us from up there.

“ It was a pleasure to spend the last almost 8 years, 40 hours a week with Johnny here at work in the Collective Training Development Division. The whole crew enjoyed interacting with Johnny and we all discussed everything under the sun (bees and politics especially). Johnny was the guy that everyone was drawn to, probably because he was a good listener. All of us here can tell you that his most joyous treasure was his family. Just about everyday he would share stories, photos, and videos about his grandchildren. Johnny was not only very intelligent and humorous but was very good working with his hands. If he didn't know how to do it,,he would watch Youtube and figure it out. He was always quick to offer help to anyone that needed it. An example of this which may seem like a minor task, was when a friend of mine (unknown to Johnny) asked me to meet him at Lowe's straight from work to purchase a washer. I didn't have my truck with me nor did my friend. Johnny,without being asked, didn't hesitate to offer to follow me to Lowe's, help load the washer and take it to Dixon and help unload and hook-it up. This was just one of many things that Johnny did for anyone, known to him or not. We'll truly miss our friend and brother-in-arms.
