“ my first day meeting Jonnie was so pleasant, she always had a smile on her face. Jonnie was such a hard dedicated worker at her job. But was Always there to help With her kind heart. Jonnie always loved to visit,  
I remember One day at work during break, We got to talking and found out that her dad had relatives from Fairview where my mom grew up and they were friends of their family. So we felt like family. I remember all the outing's we had and all the great get togethers at everyone's home.  
I Will always cherish those days Working and hanging out with you. God now has you in his arms and you will no longer suffer. You will be greatly missed but never forgotten as your memories will live on.  
R.I.P. my friend.  
Love Debbie

“ Love you Jonnie! We had so many great times playing softball back in our younger years. We also had the pleasure of working together for years. You were always smiling that beautiful smile. Fly high my friend!

“ Our family breakfasts were the absolute best and grandma made us feel so at home... we were from out of state so anytime we came to visit, grandma always made sure we were always enjoying ourselves. Never a moment went by when she wasn't thinking about others. She was such a selfless woman and I'm thankful to have ever met her.

“ To the bestestest Friend/Sister I could have ever had, you are forever in my heart. I have so many many memories I will cherish. We had a once in lifetime friendship that I feel so blessed to be able to call you my best friend for life. Sweet Girl I will miss our hour's long conversations, your wise advice, always always being there for me, your loyalty, your compassion, your laugh, your encouragement, our reminiscing, our shared love of animals and most of all your love you shared so kindly. Words cannot describe how much I will miss you; I love you forever and ever, until we meet again, your bestie Lisa
