

Judith "Jude" Gallagher

May 8, 1946 - June 5, 2012

Judith "Jude" Sharon Gallagher

In God's care you rest above,
In our hearts you rest with love.
Memories of you are ours to keep,
Our words are few but our love is deep.

Jude is the firstborn of seven children to Robert and Marian (deceased) Gallagher of Rio Oso, California. She was a playful, happy, loving young child when struck down with polio at age seven. She spent many months at Children's Hospital in San Francisco recovering from the near death experience. She never once uttered a word nor complained about her disability her entire life, never a "why me". Jude was a major inspiration and role model to all. She was a beautiful, caring and loving person despite all the tribulations she had to endure. Even with this affliction, Jude never considered herself handicapped and always attributed her integrity and leadership qualities to her strong family upbringing. Jude had an incredibly beautiful spirit that permeated everyone's heart. She was a person of tremendous strength and wisdom always cheerful and happy. She fought a valiant fight for the last 16 years since first diagnosed with cancer.

Jude was a wonderful and very proud mother and grandmother. Her constant

desire was to spend as much time as possible with her daughter, Heidi, and grandson, Brenden, whom she loved and admired deeply. Her peaceful passing was complete with her daughter at her side.

Jude's career in Federal Civil Service began in February 1975. She started in an entry level clerical position, and after many years of diligence and hard work, she secured her final position of Procurement Director, GS-14, at the Naval Facilities Expeditionary Logistics Center (NFELC), Naval Facilities Engineering Command (NAVFAC), at the Naval Base Ventura County, Port Hueneme CA. Because of her strong belief in the value of education and self-improvement, having herself earned a BS in History in 1984, as a supervisor, she ensured that her employees received training and encouraged them to prepare themselves for advancement opportunities. She loved to mentor young, aspiring managers, to see them flourish and grow and cheered them on to achieve their personal and career goals. Throughout her own career, she earned the respect and high regard of all her peers. Her outstanding Equal Employment Opportunity achievements resulted in her selection as the sole recipient of the Federal Women's Program's Joyce W. Stewart Memorial Award, Naval Base Ventura County, in March 2005. She served on the Board of Directors for the CBC Federal Union. It's no surprise that she was recognized as the Outstanding Employee with a Disability for the Department of the Navy in Nov 2005 and as the Outstanding Employee with a Disability for the Department of Defense (DoD) in Dec 2005 and received her distinguished awards in prestigious ceremonies in Washington D.C. After 37 years of dedicated and superior service, Jude retired in February 2012.

Jude was a very generous, thoughtful and loving person who gave of herself and her time whenever possible, whether it was volunteering as an organizer for the Combined Federal Campaign (CFC) or Toys for Tots or multicultural events or supporting programs as a member of the Federal Women's Program on the base. Jude found great "Joy through Movement" focusing on the

intrinsic energy within as an avid student and practitioner of Tai Chi Chih and also achieved the second level in Reiki.

Jude will be remembered for many wonderful things, but the love and devotion she had for her family would be first and foremost. Family gatherings were very important to her and she was happiest when she was surrounded by her loving family. And, regardless of the distance, she made every effort to attend all special events and gatherings. It is her family's hope that Jude's memory will have a special place in the hearts and minds of everyone who knew her.

Jude always saw the good in people, even if it was difficult for others to see. All her life she put the welfare of others before her own. She touched the lives of many people and she will be remembered for her genuinely sweet, kind, gentle, loyal and loving nature, her warm heart, infectious smile and her indomitable Irish spirit, and her patriotism. The 4th of July was her favorite holiday and her office was decorated in red, white and blue year-round, with Irish shamrocks sprinkled here and there. She had great compassion for the men and women in the military and supported various programs that provided support for military families. She firmly believed that we owe it to ourselves and to our country to do whatever we can to make a difference in this world – and she did!

Life presented Jude with many physical and medical challenges, but she always continued to smile and meet each new obstacle with courage. It was that courage, and perhaps a bit of Irish stubbornness, that for years made her use the stairs instead of elevators and to pass up handicapped parking spaces, leaving them for others that she felt had more need than her. Few people knew that she lived with pain and discomfort everyday of her life because she never complained. Even when the cancer kept returning, she never asked “why me?” and she never displayed a “victim” attitude. Her

strength and spirit were an inspiration to family, friends and anyone fortunate enough to meet her. And now, she is free from all earthly suffering and there is no cancer and no leg braces in heaven!

To try and capture the life lived and the essence of this truly beautiful person, can, perhaps, best be reflected in one of Jude's favorite poems:

"Life can't be counted in candles or measured in number of years, it's counted in small joys and good times and laugh lines, as well as in heartaches and tears.

Life can't be counted in candles, but in things done with effort and pride, with dreams followed boldly and hopes kept alive, in times when we've failed, but tried.

Life can't be counted in candles or measured in years that have flown, it's counted in kindnesses, close friends and loved ones, and in all the sweet blessings we've known."

Jude will be deeply, deeply missed and will be a part of us forever. Rest in peace, our sweet, beloved Jude.

Not everyone is lucky enough to meet a person who stands out among all other people and who is truly wonderful. Not everyone is fortunate enough to find someone special in their lifetime that they can become really close to and with whom they can become forever-friends. But, I was fortunate; and for me, that person was my beloved friend Jude.

When a friendship consists of unconditional love, understanding, mutual respect and admiration, and a whole lot of laughter, you possess one of the most valuable gifts in life. And Jude's friendship was a beautiful gift and a blessing to me. Her essence lives on in my heart and will be a part of me forever. God blessed me with an angel for a friend, and now she is one.

Jude, I will always love you - MORE!

Yesterday's memorial at the Seabee Museum was wonderful. Jude was a remarkable lady and one of just a few bright spots when going to work at CESO. I don't remember her talking negatively about anybody except one morning I ran into Jude to hear her say that a fellow worker, unnamed by Jude, had complained to her that she did not park in a handicap parking place thereby depriving this individual of a place to park. Sounded like this person was truly handicapped. Kudos to Dee Knight for a great job hosting the Memorial. There was some joy in hearing Dee is a Democrat. I have many fond memories of Jude that will last a long time. May blessings and comfort be upon her family. It was impressive to see them all at the Memorial.

“ *Jude was one of the most patient, kind, and loving people I ever knew. She always had a smile for everyone, no matter what was going on in her life, and you never heard her complain about any of her trials or tribulations. She made time for anyone and everyone who stopped by her office, never rushed their visit and always made them feel welcomed. Jude was not only a co-worker, but a dear friend as well, to all who knew her. Her warmth, charm, and positive outlook on life will be sorely missed by her co-workers, friends, and family...but she has the final reward that she truly deserves...she is at peace and free from all pain and suffering. We love you, dear Jude, and will miss you but you will always be in our hearts. God bless...thoughts and prayers to all the family!*
