“ *My best memories are with Jr hunting and fishing, always ready and a ball of energy to go get em always handy with great stories..recall a hunt in gunnison colorado...he came off a high mountain, when asked where he was, quickly said, "I was so high I saw a crow go by with a nose bleed!" What a wit!*

To family and friends, praying for your comfort and peace.

My best,

Eric J

“ *My condolences to the family. When I was a little kid, the Williams family lived across the road (Route 66) from us at the top of the hill in Buckhorn. J. J. and Ted were a few years older than me, but I had a "crush" on both of them. That's a fond memory for me. (Linda)*
