Tracy so sorry for your loss!

linda schonbok - December 11, 2014 at 04:09 PM

“ *There is nothing that I or anyone else can do to ease your pain during this difficult time.*

I can tell you I am sorry. I can tell you I will always remember Justin with a smile. I can tell you that Justin brought light into my life at a very dark and hopeless time and made me laugh. He always believed I could do anything, even when I didn't believe it myself.

Those of us who knew him, know the real person. When I couldn't pay my electric, he gave me money. When I couldn't afford food, he helped me out and he NEVER asked me to pay him back. That IS the person he was! That is the Justin I will always remember.

Telling you all this will not take away your pain. My brother died a few years ago and to this day, I still miss him and think about him all the time. I found this poem and it helped me. I believe the ones that we love who pass before us are waiting for us. This poem gives me strength, I hope it does the same for you.

Justin will be deeply missed by all that knew him.

Ascension

*And if I go,
while you're still here...
Know that I live on,
vibrating to a different measure
--behind a thin veil you cannot see through.
You will not see me,
so you must have faith.
I wait for the time when we can soar together again,
--both aware of each other.
Until then, live your life to its fullest.
And when you need me,
Just whisper my name in your heart,
...I will be there.*
