“ *I miss you grandma... every day, your photo is a shining reminder of your glam and pride of your life. A reminder of how proud you were of your only granddaughter graduating and going off to college. I love you so very much.*

“ *Tina my dear sweet friend this makes me soooo sad!! I came online to find your address, cause I needed to let you know I had lost your phone number somehow, but then I see this!! I know we didn't keep in touch constantly but I loved you dearly. I will always remember when you moved across the street from us. I was so happy to have you for a neighbor and friend! Rest in peace my dear sweet friend.*

“ *Tina was an amazing woman. She had nothing but good words about most people. She seemed to live life as a very happy spirit. She always asked how my day was going, and no matter how bad her day was, she would do whatever she could to boost my spirits. The world is definitely worse off for her not being here and God received a wonderful angel. Rest in peace my wonderful friend!*

“ *Brian and family, our deepest sympathy to you loss. We love you and send our prayers. Kelly and I are so blessed to have memories of you and Tina. We enjoyed times together and forever will cherish Tina's memories. My cousin was such a good person. Her heart was so caring for others and especially of her family. April and Shirley, your mom worked hard for you. She loved her daughters so much. Take care of each other. Just us, your family Gina and Kelly Reynolds, Jacksonville, Florida.*

“ Tina was a beautiful person inside and out. I met her when she walked in my Salon one day and loved fixing her beautiful hair! Her father was a gem too! I will miss you my friend until we meet again someday.
