“ Jutta and I spent many afternoons on her porch talking about family, camping, & travel. One day we talked about heaven religion guardian angels and heavenly visits. She said she wanted to check me back as her families guardian angel and protect them. I told her she would make a great Guardian Angel and I would love a visit from her. Jutta you are a warrior, loved your family deeply, a strong lady, a great friend and a protector. I will miss you and your wonderful outlook on life, your graciousness and faith. When I left her house she always told me she loved me to drive careful and watch out for the deer...always your friend love you Jutta fly high on those angel wings!

“ *was deeply saddened to hear about Jutta's passing. We knew each other since we were very young here in Germany. Even though she moved to America, I always cherished the memories of our youth together. She was a wonderful person, and a piece of my own history goes with her. My thoughts and prayers are with your family during this difficult time.* ”
