“ I am so sorry for your loss. I worked with Karen at GLWACH. As a Sexual Assault Forensics Examiner I saw her on a regular basis regarding the safeguarding of medical records. She was always professional and kind. She will be missed by many.

Victor, Praying for you and family at this difficult time. I hired Karen to come work in Germany over 10 years ago. I remember going to Vilseck High School sports to watch our kids play and on several family outings. I have so many great memories of her and will miss her smile. Let me know if there is anything I can help you with. Rest in peace Karen...

“ Karen was a beautiful soul, attentive friend and family meant everything to her. She will be greatly missed by many. The magnificent, yet short life of the butterfly closely mirrors the process of spiritual transformation and serves to remind us that life is short. This friends life was entirely to short.

“ *Karen was a strong leader and loving mother who always cared. Her demeanor was strong and solid but deep down she was full of love for others and life. I will always miss her.*
