“ I was saddened to discover today that my friend Karl had passed. We spent many hours together on our adventures in the woods of Missouri. I can still hear his laugh while typing these remembrances. My condolences to his son and family.

“ Karl was a good basketball player. He could have started on any Crocker team if for he was not born in a year where the kids on the team parents were business owners and school board members. Making him like others, left to sit on the bench. He could have started as a guard because of his ability. He had a good jump shot with high percentage of scoring and he was a free throw shooter with probably 98% of the time. Karl was a good friend, a good bicycle rider who could do tricks . He was a good friend when he lived in Crocker. Rest In Peace my friend.
