“ When I was stationed in Missouri, this absolutely wonderful woman became my adopted mother. She was always there when I needed her or vice versa. Even after I left there I would enjoy our phone calls or messages we exchanged. I will surely miss them. Love and miss you mama.

“ Aunt Kathy you were so brave and tough and fought to the end. So glad we were able to have some moments together in person and over the phone. We talked for over 50 minutes just days before you left this world to be with our loving Savior Jesus Christ. I love you rest now in HIS loving arms.
