“ To my beautiful friend, though we knew each other a short few years from a silly Facebook group, our friendship was one of a kind I will hold close to me. You helped me through so much at the time of losing my dad even going through your own stuff. I will never forget that. I will miss our talks, laughs, and all the advice to one another. I hope you find eternal rest. I will miss you ! Love, “little one” Cori ❤️

“ So sorry to hear of Kathy's passing. I didn't realize she was in the hospital when another classmate and I were searching for folks we didn't have contact info for. Got the sad news this morning thru another contact.

*Sending condolences to her family along with prayers of comfort.  
God bless.*
