“ *I just found out about Kathy! I am so very sad, shocked, bewildered and grieving now for a friend. We lost touch when we came back to the states in 1989. My memories of her kids are all as children. Jim--Please accept my sincerest condolences and hope all is well with you and your children and their families!*

“ *Kathy was my nurse when I went through my Breast Cancer in 1993. She was always a very positive helpful person and always smiling. She was always an inspiration to me because she never complained no matter how bad it got. She still would make it to the Relay for Life; even after enduring her Chemo treatment in St. Louis that morning.  
Kathy will surely be missed by her family and friends and co-workers. I know I will certainly miss that smiling face and wonderful hug at the Relays. God Bless you Kathy for all you endured and I know you have a very special place in Heaven!!*

“ I could go on and on about Kathy; she was the greatest fighter in the world. She just kept going, like the energizer bunny! I truly loved her. She was always so up beat, like she didn't have a care in the world. This world will be a sadder place without her, but HEAVEN will be singing and shouting, Kathy is there with her high heels on and having a good time. May GOD RICHLY BLESS each and every one of Kathy's Family..

“ Kathy took me under her wing as a new soldier at FLW in 1991, before long I was telling everyone she was my “post mom“. I will never forget her kind and caring nature, the love she had for her family or her love for life. I know she is in heaven where the angels are enjoying her laughter as much as I did. Kathy was a true inspiration to me and I am sure to many others. We would all do well to keep a little piece of Kathy in our hearts and truly hope we can all be “KATHY STRONG” in our time of need. My thoughts and prayers are with Jim and the rest of the family. I hope you find peace in knowing she is in a better place.

All My Love,  
Heather

*Kathy was my "hero": she kept dancing and wearing her high heels clipping through the halls of GLWACH fighting the battle long and hard. Her beauty shown through flaming red curs, crochet caps, and bald with beaming smiles and encouragement to others. She will be missed, rest with the angels*
