“ *My thoughts and prayers will be with the family. I will never forget the memories that we made as children. When I would come to Crocker for the summer people would pick on the way I would talk (from North Carolina) and it would make Kenny so mad that people was picking on me. He would stand up and tell people that he would put them in the trash can if they didn't leave me alone. I can remember me, Kenny, and Kevin running around in the yard with plastic guns pretending to shoot each other :). As I got older and my summer visits back home came to a stop we lost contact. Even though I never got to speak to Kenny as we grew older I have always wondered how him and Kevin was doing. Kim & Kevin I would like for you to know that you are on my mind and in my heart. I will pray that God places peace and comfort in your lives and help you through this difficult time. I pray that God sends comfort to the rest of the family as well.*
