“ Me and Kenshin made a fort together in the woods behind my house. I will always remember him for his smile and encouragement. He also taught me a few words in Japanese. Sending prayers to the family.

“ Whenever Dale would show up to help with Extremicon. Ken would be there, too. Half the time helping and the other half playing on the dolly/running on the cleared out floor. He definitely made it an interesting time. Usually got a good laugh out of his adventurous behavior.

“ My son Tytan & Ken were becoming pretty close. From football, to living in the same neighborhood. Tytan was excited that Ken was here to stay. My husband coached his first year of football and Ken inspired him in so many ways. He was amazing to watch no matter what sport it was. Ken was here a week or so ago and saw I was carrying in groceries when Tytan walked passed me and he said “Boy, if you don’t help your momma carry those bags in!!!” & he proceeded to help me. That was the kind of boy he was. Kind, respectful, and all around just amazing!! He will forever live on in our hearts.
Our deepest and sincere condolences to the sweet Taylor family. We are here for whatever you may need.
Love, The Chabot’s.

“ *I work at WCA! And Ken always was so entergetic with a smile on his face. He taught my son who is in 1st grade, how to throw a football in after care! I always thought it was so kind he took the time out to teach the younger kids about football!* ❤️
