“ I always remember our walks with the kids. The latenight talks Just because we couldn't sleep. The trouble our girls got into on post. Playing games on rainy days. the wreck the kids had right behind us coming from Lake of the Ozarks. So many memories we created while you were here on earth. You were the kindest most open person I had met. I will never forget you Kerry lynn smith. I know the troubles you fought and how much you loved life. You will forever remain in my heart. I love you to the moon and back. Rest easy my friend Until we meet again.
