“ *It's now 7 years and you're still on my mind Kyle. Never forgotten, not by me. If there was a way I could send a cell phone to Valhalla just to have you pick up the phone and hear your voice again, it would give me peace to know we will soon meet again! Distance only makes the heart grow fonder. I patiently wait for my turn to reunite with you!*

“ I wanted to write to express my condolences to his friends and family. I knew Kyle when he was in the Army--I had the honor of being his platoon leader from 2007 - 2009, in 1-27 Infantry, in Hawaii. My memory of Kyle is that he was a hardworking, courageous soldier, on a great squad, who grew an incredible amount during his time in military. I will always remember that Kyle choose to serve his country at a time when few people did, in a difficult and dangerous role, and that his life and work were a tremendous credit to his unit.

“ I did not know Kyle but I have a great respect for all my fellow brothers and sisters, especially those that went to protect our freedom. I Pray to God for the comfort of his family and friends these next few days. Know that he is in the best arms now, he is with all his other brothers and sisters, and he knows he has a lot of earthly LOVE, even though painful for us, LOVE that is being sent his way. I am truly sure you will be tremendously missed by everyone but they will keep you always in their hearts. From a fellow veteran, I SALUTE YOU AND THANK YOU....GOD SPEED BROTHER!!!

“ Kyle and I weren't close, but we did go to school and grow up together in Stockton. We were in several of the same classes over the years, and while I don't know the man he grew up to be, I most vividly remember we had art together in the latter part of highschool. We frequently joked and chatted while working on our projects. Deepest condolences to his friends and family, my heart goes out to you.
