Laura, Chris and precious Nalani; know that your family stands with you in your time of sorrow. There is nothing we can say to take your pain away...but we can offer strength and a listening ear when you need to talk. We can offer a bended knee when you need a prayer. We can offer everything within our power to help you heal and move through this. We will offer you your space, but will be here if you need us. Love all of you! Our hearts ache for the entire family who feel this tragic loss. Love Uncle Ellis and Aunt Debbie.
