“ *It is with fond memories I remember SFC Hickman when we all worked together at 4th Battalion, 4th Brigade. I started my civil service career in the fall of 1972 as the battalions headquarters secretary . I was right out of high school and found myself in a building of 20 plus career soldiers. New to the military environment I quickly found SFC Hickman as the S-3 leader to be a professional soldier and also protective individual. We all worked together accomplishing the military mission and had a wonderful work environment. So many great memories that I will always remember and I am so thankful for landing my first job surrounded by wonderful folks such as SFC Hickman! Jackie to you and your family I send my prayers for peace and comfort. RIP SFC Hickman. I thank you for your service to our country and dedication as a military soldier and man.
