Larry was A God send for my husband and myself, He helped Earl in so many ways, then when Earl got where he couldn't no longer take care of our apartments and it was all left to me to take care, Larry stepped right into helping me from collecting rent and repairing things and most of the time wouldn't let me pay him, he was a kind and caring, giving person, we enjoyed sitting on his front porch and just visiting with him and Karen , he will be missed, God bless Karen and all his family, prayers for you all, so glad to have been his friend and Karen's
