“ Growing up Mr. Trotter was always a big part of my life always inspiring me to do better and always listening to my father Terry Snider, telling Lewis how well I was doing in Florida. Anytime I came to visit he was always so happy to see me as I was with him. He was always like a second Dad!!! Now we all have another angel looking down and protecting us all.

“ One extremely important memory I will forever treasure of my grandfather is the time he took me on my first ever helicopter ride. I saw such an amazing view of Saint Louis that day and I will never forget the feeling of genuine happiness I felt that day. Something he told me that is forever engraved in my mind and heart is “You should never live your life saying I should have.”
 There’s so many things I was looking forward to crossing off my bucket list with you. I will complete all of these things in your honor and with you in my heart. I love you Trotter❤️
